

## Obtaining Your For Hire Permit and Vehicle Certificates

**W**E ARE PLEASED to enclose the application forms required to obtain your *For Hire Permit and Vehicle Certificates*. Our goal is to help you successfully establish and operate a business in Washington.

### How much will it cost to license my business?

There are several fees you must pay if you are starting a new For Hire business:

<b>For Hire permit</b> .....	<b>\$20</b>
(Required if your city or county does not license taxi businesses)	
<b>For Hire certificate each vehicle</b> .....	<b>\$20</b>
<b>State tax registration</b> .....	<b>no fee</b>
<b>Trade name registration</b> .....	<b>\$5</b>
<b>Taxi Meter each meter</b> .....	<b>\$25</b>
<b>Business License Application fee</b> .....	<b>\$15</b>

### How do I renew my vehicle certificates?

You must renew your For Hire Vehicle Certificates each year. A renewal notice will be sent about one month before your certificate expires, however *it is still your responsibility to renew if you do not receive the notice.*

To renew:

1. We must have valid insurance on file, which lists all vehicles being renewed.
2. You must pay \$20 per vehicle
3. You must pay \$25 per taxi meter
4. You must include a \$9 renewal process fee

### How do I add/change a vehicle?

If, at any time during the year, you wish to add or change a vehicle, please provide the following:

- Proof of insurance for the additional vehicles.
- A photocopy of the vehicle registration for each vehicle added. Each vehicle registration must show "CAB" or "F/H" in the use class.
- The For Hire certificate fee of \$20 for each vehicle.

*Your For Hire Permit is valid as long as you remain in business, but your Vehicle Certificates must be renewed each year.*

*A for hire license is required for any business that provides transportation for compensation and is not required to be registered through Utilities and Transportation Commission, or is not a limousine company.*

### What to send or bring:

- Completed Business License Application form.
- Certificate of Insurance (can be faxed from the insurance company). See reverse for sample.
